

Alden D. Stroud

February 21, 1956 - July 30, 2021

Alden D. Stroud, 65, passed away peacefully July 30, 2021, at his home in Salt Lake City, Utah. Alden was born February 21, 1956, in Gooding, Idaho. He enjoyed many wonderful years growing up in Brigham City, Utah where he fell in love with small-town living.

Alden was an avid outdoorsman, he loved to fish, was an astonishing craftsman whom created a collection of handcrafted knives to hand down to his family. He was such a creative soul, if he wasn't building something, you would find him painting, in the garden, trying new recipes in the kitchen, or cheering on the Green Bay Packers (we tried to show him the light but he sure was stubborn).

A loving father of Amanda (Shane) Larsen, Derrick (Liz) Stroud, and Anglea Stenquist.

Alden's greatest accomplishment and biggest joy in life were being a proud grandpa to his 8 grandchildren and 3 great-grandchildren.

He leaves behind many family and friends that will miss his stories and his company.

A very special thanks to everyone at CNS Hospice who has helped over the last few months. A private celebration of life will be held at a later date.

I remember Alden from high school, and more recently had exchanged a few comments with him through social media. I think of him as a gentle, friendly, kind and creative soul. I'm so very sorry for your loss.

“ Alden was a great cook! He always liked baking cinnamon rolls, and smoking all kinds of meat on his smoker. He was a great neighbor! I will miss talking to him.
