“ I remember Alice making skilled ikebana presentations to our I.I. Chapter Sun Cities #167. As Alice became less mobile she still managed to attend some Chapter meetings where her presence was much enjoyed. Many of her fellow Chapter members will remember Alice’s graciousness and generosity. I treasure my memories of Alice; I am thankful to have an ikebana container of hers that she donated to the Chapter and that has become inspiration for my own ikebana. Kim Busch
