“ *Clint .. I had no idea about Bart and it's been two years since he passed. I am so sorry for your loss I know how close the two of you were and will always be. You may not remember me my name is Karie I went to school with you both and lived across the street from your dad on Cavalier Dr. I was thinking about the two of you as I often did and wondered where you guys might be now and came across Bart's obituary my heart was broken. Stefanie and I always had a great time with you two. Thank you for the memories!! Clint, again I am so sorry my heart goes out to you and your entire family.*

“ I am heartsick after finding this out tonight. Bart was indeed the most handsome man i had ever known. The first time i saw Bart, he was on his bike and i thought, oh my i have to meet him. He has always had a place in my heart. I was missing him tonight. To his family, i am so sorry for your loss.
