“ *It is so nice to read memories from all of his family and dear friends. I think we can all agree that Boyd was a very caring and giving person and that this is a great loss.*

When I think of my brother, I think of his smile. He honestly had the best smile of any person that I know. Boyd was a genuine person, he was kind and full of love. He was fun, creative, smart and had a great sense of humor. I have so many fun memories of Boyd growing up together. I have been in deep thought over the past few days just remembering my brother. I'm so grateful for the time that we had together and all of the memories that I will cherish forever. I love you so much, Boyd. You will forever be a part of me. Love, Dayna

“ I did not know Boyd, but I know his wife, Brenda and she has shared about their relationship and he sounds like a wonderful, loving, empathetic and kind human being. I'm sure everyone who knew him in any way for any length of time or even for a short period of time was enriched by his presence. Love and kindness make their mark in this world and we carry it with us into the next. If you want to honor him, spread that love and kindness. It would make him happy to know that I'm sure!

I remember the first time I met Boyd. I was being wheeled out of a delivery room, I was taken to a incubator and I looked straight into the eyes of my newborn son. I gazed at the most beautiful tiny face I had ever seen. He had a mop of long black hair but it was his eyes, they were wide open and looking directly at me. That moment changed my life. As I looked into his eyes I saw the wisdom of the Universe I felt so in awe of the Miracle and the abundant gift I had received. Life with Boyd has been miraculous. I am deeply grateful for the beautiful memories. We have been through so much, you and I. The one thing I know we always knew was the Love we shared. Thank you Boyd 💜. I love You. Mom

“ *Boyd is one of my heroes. His smile and "can-do" attitude is what I will always remember. He was always super busy but never too busy to help anyone and everyone. I always walked away from any interaction with Boyd feeling better about my day. He lifted all of us by how we worked and lived. I loved the excitement he showed when he found a solution to a challenge or new technology that would help us. I love you Boyd!*

Even though we both worked in different offices Boyd still had a special place in my heart! When my computer was on the fritz I knew exactly who to call and with a Happy tone of Voice and a lot of patience he would help me get my computer and printer up and running. I can remember coming up each year to the kick off meetings Boyd would be involved in getting everything ready computer, music, lights and would always have a great big smile and have a happy hello for everyone! I feel so honored to have worked with you Boyd, your memory & spirit will never be forgotten! We will miss you buddy but we will treasure the memories & knowing we have another guardian angel in heaven to help watch over us all!

Quick to smile, quick to say hello, quick to be kind. Always. He was such a kind person. To know Boyd was to have a friend.

“ I remember being on service calls with Boyd one day years ago when he had only been married for a few years. All day he was trying to come up with an idea of how he could surprise Brenda and do something special for their upcoming anniversary. Boyd is a wonderful example of a kind and gentle man who always loved to serve and make things better around him. You will be greatly missed Boyd.
