“ *Brad was like a grandpa to me. He was sweet, funny, grumpy, Caring and loved books, also loved sharing his books and it's me. I'm sorry brad that I never came to visit you after I left my job, I wanted to but I kept waiting for a better time until it was too late. I just found out today. I heard you left in peace, and that made me happy. I miss you Brad, and Rest In Peace gpa. I will light a candle for you tonight. Ily 🥰*
