

## Carl Harnen Mulhern

September 19, 1945 - November 30, 2020

Carl was born in Montana and traveled to, and lived in many different areas. In 1984 he met his wife Mary Mulhern. They were married November 4, and they were later sealed in the Salt Lake Temple.

Carl enjoyed spending time with his cats, cooking and watching TV. Most of all he loved spending time with Mary, doing puzzles with her and paint by numbers. Carl was especially good at "can picking" and he and Mary have done that all over Salt Lake Valley. Carl was kind to everyone, it did not matter who you were, he was always willing to help and would give you anything he had if it would help you.

Carl is survived by his wife, Mary, 2 Fur babies Shadow and Patches, and many friends. The family wishes to express thanks to the IHC Hospice Team. Their nurse Dennis, his aide Anna and Trish , chaplains Doug and Brandon and Social Worker Andrew. Special thanks to the friends who have helped support Carl in his last days.
