“ *I just found out about Carlos a few days ago. I miss him so much. We had some really great conversations over the years and some dark ones. He was the only person that understood me and I really tried to support him the best i could and the best he let me. I know he struggled so I really hope he is at peace now. I'm not sure what I believe in at the moment but if there is another side, I hope to see you there brother. I love you.*
