Corina Ann Moksnes-Adamson, age 56, passed away on June 10th, 2025 at Monument Creek Healthcare in Taylorsville, UT due to breast cancer. She was born on August 15th, 1968 in Salt Lake City, UT to Mary Darling and Leon Aimes. She was married to Raymond Adamson on December 25th, 1995 at Ray's mom's house in Salt Lake City, UT.

Corina was born on August 15th, 1968 in Salt Lake City, Utah to Mary Darling and Leon Aimes. She was later on adopted at about one years old to Eileen and Bud Pelland. She grew up on a farm, rode horses, and took care of animals. She continued loving animals and her kids. When I was a kid we had dogs, cats, birds, rabbits, lizards, snakes and fish. I might be forgetting an animal or two, the point is we had them all. My mom was married twice and had four children. Her first love was Tracy Moksnes and her second husband was Raymond Adamson. She will be missed, we will always remember her love, her stubbornness and how strong she was until the end.

She is survived by her children, Megan, Matthew, Katelyn and Kirk, her sisters; Elizabeth and Heidi, her brother Dale. All the friends that she has made over the years. Grandkids; Kaige, Melody, Pyper and Rythm. I especially want to thank all the ladies who took care of my mom at Oakridge Assisted living!

She is preceded in death by all of her parents, Mary Wiley, and Bud Leonard Pelland.

A celebration of life will be held on August 16th, 2025 at Megan's house: 1485 West Paradise Lane in Taylorsville, UT from 5:30PM to 8:00PM
