

Cory Allan Anderson

June 6, 1969 - April 15, 2024

On April 15, 2024, Cory Allan Anderson, beloved father, son, brother, and friend, left this world on his own terms at the age of 54 in the comfort of his tiny-home in beautiful Oakley, Utah.

Cory is the father, mentor, and "Bro" to Max Anderson.

Born on June 6, 1969, in Madison, Wisconsin, to Marianne King and Hayward Anderson. Brother to Elizabeth, Chad, and Chris. Former husband to Kathleen Leopardi and step-child to Barbara Kane Anderson. Friend to all.

Cory was a passionate outdoorsman and caregiver to creatures, both big and small. A Pilot. Fisherman. Climber. Skier. Skater. Electrician. Prankster. Grower. Thinker. Tinker. Artist. Builder. Adventurer. A true maverick.

Cory's departure leaves behind a profound void, filled only with the intimate memories and grand achievements he shared with us all. His humility was as awe-inspiring as his life's journey.

A memorial service to celebrate Cory's life will be held at Silver Lake Lodge Deer Valley Resort, 7600 Royal Street, Park City UT 84060, on Saturday, May 25, from 3 pm to 6 pm.

Instead of flowers, the family asks that donations be made to a charity of your choosing that assists environmental conservation, childhood nature programs, animal welfare, or mental health.

Please join us in honoring Cory's life, whose death gives us pause to reflect upon our own.

“ I am saddened by Cory's passing and hope that he has some peace on the other side.

Cory was our first river guide in the cataraft. We floated the Split Mountain section of the Green River and had so much fun. Cory is a skilled river man and outdoorsman. In Moonshine Rapid our young son wanted to have fun like Max and sit on the end of the banana (the cataraft pontoon). He just didn't know how tight he was supposed to hold on. He fell in the rapid and Cory plucked him out in a second. Wild times and memories that we will always cherish. Thank you for showing us the river and for the fun times Cory!

What a fun, and vivid Memory of that River Trip! Cory had your boy up and out of the water before the next oar stroke! A great river navigator and the kids looked up to him after that!
