

Dan Vee Lockhart

August 26, 1935 - October 4, 2019

Dan V. Lockhart passed away on October 4, 2019 in Salt Lake City, Utah. He was born on August 26, 1935 in Provo, Utah to Eugene Lester and Laura Dorgan Lockhart.

Nicknamed Lucky, Dan had a very full life with many different forks in the road. He proudly served 13 years in the service of our country in the Air Force and the Army when he met Mary and swept her off her feet. They married in Anchorage Alaska in August of 1960 and began the 59 year journey of a life full of joy, happiness and "Jesus H Christ Mary". Upon leaving the service, he held several different positions but the one that was most memorable is Helping Hands where he touched many lives resulting in them declaring a "Dan the Man Day", He was presented with balloons and special messages from all at each stop on his route .His passion for old cars and trucks provided adventure while his love of motorcycles gave him wings to fly. Mary swears Gene's love of motorcycles is a result of a ride she took with Dan the night before he was born. He enjoyed camping where he shared his love of the outdoors with his family. An avid painter, leaves behind his cherished memories on the canvases he brought to life. Dan and Mary settled in Church Wells, Utah where they have a large extended family, supporting and helping each other. With a quiet voice and a look that meant business, he instilled strong values in his children, ensuring they were prepared for whatever life threw at them. All that knew Dan share stories of his kindness, compassion,

integrity and the fact that he was a prankster. His battle is now at a close and while he rests in peace, his legacy of strength, honor and courage will continue to live on in his children, grandchildren and great grandchildren. All are encouraged to share their fond memories, stories that have a special place in your heart and pictures you treasure.

Survived: Wife Mary Lockhart, Children Bruce and wife Heather Lockhart, Debbie and husband David Spoons, Gene Lockhart (Kim), Cathy and husband John Frederick, Francine and husband Tony Sicox. Brother Ted and wife Peggy Lockhart. Ted "Teddy Bear" Fannesbeck. 12 Grandchildren and 14 Great Grandchildren.

He was preceded in death by Grandson Brandon Lockhart, Uncle Zeke Dorgan.

A Celebration of Life will be announced at a later date.

“ I didn't get much opportunity to get to know Uncle Dan unfortunately, but my Mom (his sister Mikila/Linda Lockhart) and him were close. She has shared many fond memories with me about him, and through her memory of him, I shall miss him too. Much love to the rest of the family from us.

“ *The Dan that I knew and enjoyed visiting with was always an amazing listener with very wise council. His sincerity was always felt by those around him. His love for family was a real pleasure to see. He was always so gracious, supportive and loving to his soulmate (Mary). It was always a real pleasure to watch the teasing and love that was between them. His gentleness was so appealing and tender. His presence is already missed by all who have had the opportunity to work with or to know him. Thank you for being apart of the my life. I will miss you. Janette Nielsen*

“ I first met Dan shortly after they moved to our community of Church Wells. We became good friends when he joined my on the Special Service District as Water Master. He was a good man and a hard worker. His wife, Mary, became one of my closest friends. It is always hard to see someone go, but especially this man. He will be missed.

“ In tears we saw you sinking we watched you fade away, you suffered much in silence, You fought so hard to stay. You faced your task with courage. You felt your hope descend but still you kept on fighting Until the very end.

God saw you getting tired, When a cure was not to be, so he put his arms around you, and whispered" Come with Me". So when we saw you sleeping so peaceful, free from pain We could not wish you back, To suffer that again.

All my love Mary

Here one day and gone so quickly the next. I am still in so much shock that God took you so fast. The memories I have make a small smile come to my mouth each time I picture you in my head. You are gone but have touched so many hearts so deeply you will never be forgotten!!! You will be missed every day.

To all of Dan's family: I'm sorry doesn't begin to touch on what my heart is feeling. Please let the wonderful memories you have help you through this very difficult time.

“ Grandfather was a great source of stories and laughter in my life com always teasing me and mutually calling each other the wrong names including the vintage "george" Which stuck. He always had a smile for me even when he was in pain. I feel very grateful to have been in his life and he was always kind in return to me. I shall miss him dearly.

Love you grandpa Tera

“ I remember uncle Dan's laugh mostly. I spent many summers in Santaquin as he and aunt Mary watched me. He loved to tease and tickle me. All he had to do was pretend he was going to, and I'd burst out laughing and run. I love you uncle Dan! Kimberlie Gavin
