

Daneil Gonzalez

May 14, 1960 - February 25, 2024

Daniel Gonzalez passed away peacefully on February 25, 2024, in Salt Lake City, Utah. He was born May 14, 1960 in California.

Daniel was a good man. He worked as a chef and tow truck driver. He was a good friend, funny extraordinaire. Loved dancing and music. He especially loved watching the Rams and Dodgers. He inspired holiness in the lives of believers, instilling hope in the hearts of struggling people everywhere. He will be missed. I will miss him for a lifetime. His jokes, laughter, and hugs but most of all our time together.
