“ *David is, and will always be the love of my life. We became one, now my soulmate, lover and friend has passed on to eternity ahead of me. My heart is broken, I am comforted in our love also in Yeshua Jesus and Abba Father. I have faithfully loved and served David for 50 years. Cathy Moffat, Utah*

*Cathy I was a classmate in High School of David's. We just saw a post from another Classmate saying David passed in 2020. So glad he found the love of his life. He was a great person. So thankful you both had a personal relationship with Yeshua, our Lord and Savior. Know we will meet in heaven one day. Blessings to you and your family. So very sorry for your loss.*
