On August 6, 2015 he met Jennifer Lynn Hardy, two years later on October 4, 2017 they were married. He joined with Jennifer in raising a granddaughter, Malaiah and a loving large family. While living in Utah he missed his beloved California and the many family members living there. He enjoyed visiting them as often as he could.

He experienced a wonderful reunion with family and loved ones when he passed through the veil. Delfino will be missed by many who loved him. He often was busy working at Big Daddy Pizza and would share the pizza with family. He loved pizza. He would also often volunteer in the bakery at Welfare Square. We will have a grand party sharing pizza together on the other side.
