“ *I lived next to Easton (east side) from 2001 until he moved to the senior facility. I used to go visit him there for a couple of years and then got really busy and lost track of him although I would think of him from time to time. Just came across his obit and it was very sad. Easton was such a gentle soul. I enjoyed knowing him and will miss him.*

“ *I grew up across the street from Easton and his family. The Maecker child care was in their home. My brothers were Easton's friends- we all loved listening to Easton's guitar playing.*
