Edward Joseph (Joey) Stockton

11/17/87 to 09/20/21

Joey Stockton, 33, passed away on Monday, September 20, 2021 while traveling in Utah.

Joey was born in Tampa, FL. to Edward C. Stockton and Laura Fitzgerald Stockton on November 17, 1987. He is survived by his mother and younger brother, James A. Stockton, his aunt and uncle, Peter and Linda Sadowski and his cousins; Jordan, Meghan and Lauren Sadowski; and cousin Taylor Fitzgerald from Georgia. He also has an aunt and uncle in Ohio, Richard and Loretta Stockton and cousins Sarah, Danny and Andrew Stockton. He is predeceased by his father and Uncle Daniel, Fitzgerald.

As a child he enjoyed ice hockey, fishing, camping and paintball. He grew up in Tampa, and attended Alonzo High School, where he made many friends who he loved dearly. He had an infectious smile and laugh with an unbelievably outgoing personality. He always was the life of the party.

Joey overcame many obstacles in his life and went on to become a self taught and accomplished Chef. He had a passion for cooking and was proud to have worked, with no culinary degree, at the Sarasota Ritz Carlton, The Tampa

Club and The Capitol Grille. He loved to cook for friends and family and his meals were always a lesson and a special treat.

Joey was an impulsive, fearless, free spirit and loved adventure. He went on to become a phenomenal salesman. He had the time of his life traveling the country. With his vibrant, upbeat personality he found beauty in what he saw and met new friends everywhere he went. He kept us updated, almost daily, with pictures, videos and stories of his travels.

Joey found peace staying with friends in the solitude of the California mountains. He loved to read and learn. In his own words he said "be at peace spiritually so that nothing of this world can shake you and if it does - maturity, humility and the ability to learn will break your fall".

His many friends and family were so important to him. He loved people and found the good in everyone. He was motivating, inspiring and beautiful to us all. He believed "the secret to having it all is realizing that you already do".

He lived a lifetime in his 33 years. Rest well in the arms of Jesus and fly high with the angels. Words cannot describe how much you are loved and will be missed.

Celebration of Life date and time will be posted on his Facebook page soon.

“ *Cousin Joey.. I remember all the times we spent together when we visited you. The times we swam in your pool, walking around your neighborhood, and irritating your parents. One story that I can recall so well is when your were irritating your dad while he was driving and his contact fell out. I remeber you kept on him while he was driving down the highway trying to put his contact back in. Those were some funny tines. You will be missed greatly.*
