“ *Mrs. Cowley was my English teacher at Cottonwood High School. She was a great teacher and we watched the movie "It's a Wonderful Life". In her class. I always think of her when I watch it each year since. Thank you Mrs. Cowley!*

“ *Mrs Cowley was one of the most delightful teachers at Kearns High School. Although I wasn't specifically in drama I had many interactions with her involving other activities at school. Our drama department produced the most amazing plays! Mrs Cowley was so full of energy! Strict but always smiling. Her students and non students loved her.*

I'm so saddened to learn this. I would have no Career without Gae. So blessed to have seen her and told her how special she was to me.
