“ I remember when I was going to meet Ernie for the first time. I thought I wasn't going to like him at all, because of what I had heard about him. Well what I thought about him was wrong. He was such a nice man. Calm, soft spoken, and done with his past life. He told his son that he was wrong for treating his Mom the way he treated her and that he knew that when she left him it was for good cause. I haven't seen Ernie in quite a few years but I know that regardless of his past he made sure he made it right in his future. His son is a better person having Ernie in his life. God Bless his whole family in this time of need. Ernie you rock and you will be so missed by so many. Love always,
Leanne.
