“ Jake is my Brother and I miss and love him everyday. He showed me what I needed to do to be a better father and husband. He loved the spices of life live, laugh, love. I miss you brother, and so do your nephews.

“ My heart goes out to Jake's family and friends Jake was a very very nice and kind person when I met him he was this tough " what's up " guy. but on the softer side you know he was very gentle and kind I mean he would help me get in and out of my wheelchair he would help me with my daily activities that were difficult for me and just a great guy
