

Jacob Benjamin Olson

April 27, 1988 - May 12, 2018

Jacob Benjamin Olson passed away on May 12, 2018. April 27, 1988 was a very important day in history, our beautiful Jacob was born in Layton, Utah to loving parents, John Ronald and Elizabeth Malan Olson.

Jacob is our youngest child, the beloved baby in a family of eight children. To know him was to love him! Jacob was intelligent, tender-hearted, kind, generous, quirky and extremely funny, he was so very loving... never a vicious word or deed. He loved animals, especially dogs. He loved children and he knew exactly what to say to lift another's spirit. Jacob genuinely cared about others, he would willingly take the short end of the stick rather than short change another. The world has lost some sunshine and sparkle, beauty and love when our dear Jackie left this earth and went to live in his Heavenly home. We know that he was warmly welcomed by two of his older brothers and we know that he is safe and loved where he will continue to progress and do much good, we are certain of that. We will miss him tremendously, much more than words can express, until we meet again. Jacob's favorite quote was "Give without remembering and receive without forgetting".

He is survived by his parents, John Ronald and Elizabeth Malan Olson of Layton; brothers and sisters, Malan Gregory of Honeyville; John G. of California; AnnaMaria Bond of Roy; Lillian Walker of California; Michael of Layton, many nieces and nephews and Gabriella Pantoja Olson (wife). He

was preceded in death by his grandparents; older brothers Kirt Frank Olson and Matthew David Olson

A memorial service will be held on Saturday, May 19, 2018 at 11:00 A.M. at The Church of Jesus Christ of Latter-Day Saints located at 789 East Wasatch Drive Layton, Utah.

“ *Betty and family, sharing your sadness as we remember Jacob. Our family is keeping your family in our thoughts and prayers. We will miss Jacob dearly. We feel lucky that we got to know him and grateful for how much he loved my daughter. He was funny, loving, and always willing to help others. He was like a son to me. You will always have a special place in my heart.*

the best friend and person I've had the pleasure and privilege to call my friend. The years we've spent everyday together and apart always to return right back to our friendship. You lived and loved like we all wish we could. Jake I love you brother, not many people have the impact that you have had on so many. Almost all of my memories of high school and younger involve you, no matter the situation you were always there and willing to give the shirt off your back to anyone in need. Your the brightest light that had shined on so many lives. I'm blessed to have had the privilege of calling you such a close friend. Watch over us all and know your time on this Earth is just the beginning and that the light you shared in so many lives will live on forever. JakeyO I miss you and love you my friend. Till we meet again my friend
