

Janene Gae Jensen Jansson

July 15, 1962 - May 27, 2020

On Wednesday, May 27th 2020, Janene Gae Jansson, age 57, was swiftly and unexpectedly taken back to her heavenly home. Janene was born July 15, 1962 to Roger Hugh and Betty Gae Thomas Jensen in Salt Lake City, Utah. As the third of eight children. Janene was like a second mother to many of her siblings who remember being cared for and toted around like they were her own babies. She came from a very close-knit family and had a special relationship with each one of her seven siblings. Any time spent with them was full of warmth and laughter. Janene grew up in Bluffdale, Utah where she was a member of Bingham High's cheerleading squad and taught swimming lessons to many of the local children. After a semester at Snow College, she decided to attend beauty school where she found her passion. At the time of her passing, Janene had done hair for 35 years and was the owner of Heads Up Hair Design in Sandy. Her clients, many of whom had been with her from the beginning, not only loved her for her talent, but more so for the safety of a good ear they found while sitting in her chair.

Janene was a notoriously good cook, loved her puppies and enjoyed time on the green playing golf at Alpine Country Club where she served as Ladies Board of Directors and Ladies President. An adored aunt, who made sure to stay in touch and involved in the lives of each one of her nieces and nephews, she will be remembered for her pancake breakfasts after a fun sleepover and outings to the movies.

She had a firm testimony in the gospel of Jesus Christ and filled many callings at church, often sharing her musical talents with her ward members. Her most prized possession being her beautiful white grand piano, which she spent hours playing.

But above all, the role she cherished the most was that of grandmother. "Grandma Neener," as she was affectionately called, treasured every opportunity to connect with her grandchildren. From cooking lessons, to water fights in the pool, and annual leaf raking parties, her grandkids will never doubt just how much she loved them.

A beloved daughter of God, Janene has touched the hearts of many and will be missed beyond measure. She was loved by all who knew her.

She is survived by her husband, Lynn Jansson; three children, Sean (Ashley) Jansson, Brett (Natalee) Jansson, and Lisa (David) Cloward; 10 grandchildren; her parents, Roger (Betty) Jensen; her siblings, Jed (Sheri) Jensen; Julie (Steve) Wanlass, Jay Jensen, Jamey Jensen, Janna (Harry) Markland, Jeremy (Amanda) Jensen, and Jeana (Spencer) Proctor.

She is preceded in death by her grandparents, Hugh Lyndon (Hannah Sigrid) Jensen, and Moroni Midgley (Mary Jane) Thomas.

*Due to the current rules and regulations surrounding social gatherings, a limited number of close friends and family will be attending the funeral. We know there are many more of you who wish to pay your respects and we would like to invite all who wish to join to a Celebration of Life honoring Janene on her 58th birthday. “ *Janene, I cannot express how great full I am that you were my friend, we had SO MANY moments that are just ours. But we had so many more that we shared with the salon, I can't stop laughing at all our shenanigans. THAT is what you taught me, how to have fun at "work". I will forever be great full that you , helped raise me, taught me to have a thick skin, and laugh my ass off ! I love you so very much and I can never repay you for loving me ❤️*

“ *Janene is one of the most beautiful people I have ever known. Much more than a hairstylist, she was a true friend to me. I love her and can't imagine her gone. My heart goes out to Lynn and to the rest of her family whom she loved so much--especially those treasured grandkids! I will try to honor her life by listening to others as kindly and generously as she listened to me. 'Til we meet again, dear friend, Shauna Barrick*

“ Such a shock. I just was at the salon a week and a half ago. She was fine and her usual joyful, happy wise cracking self. I have been her sales rep for 30+ years. I will miss her jokes about my shoes and yes, even the occasional serious conversation about God, religion, and life. These would happen between customers when no one was in the salon.

Janene was an awesome person and human being that will be sorely missed. But that goes without saying.

Janene was such a great friend back in high school and then being roommates at Snow College. I'm so heartbroken hearing this news and I can see she touched so many with her beautiful smile and loving personality. I'm sure she was the best mom cause she was a natural! Rest In Peace my friend.

“ Dear sweet Janenne I miss you terribly. I am so grateful I saw you last Saturday to get long awaited hair cut. You asked me about all my grandkids and greats, wanting to know what was going on in their lives. We have been friends for 35 years and it wasn't long enough. If you run into Nick up there give him a hug for me. Wish I could have hugged you Saturday but that will have to wait. Until we meet again my dear friend. Love you.
