“ Jayme had been a roommate at my house in Taylorsville for a couple of months. I thought she was very nice. She cooked dinner a couple of times and I thought she was a very good cook. She also helped out with my autistic son. Hygiene and eating habits. I'm really sad to hear this news about Jayme. Its such a tragedy that she wasn't able to overcome the trauma that she experienced in her life. RIP Jayme. Gil Paswaters.
