

Jerry Michael Loving

January 13, 1968 - May 20, 2020

It is with deep sorrow and regret that we find it necessary to inform everyone of the recent passing of our brother, son, and father. Jerry Michael Loving passed on May 20, 2020, from longtime struggles with multiple health conditions. He's a son, brother, father, grandfather, uncle, nephew, cousin and friend who will be dearly missed by all who knew and loved him. He had a beautiful smile and a contagious laugh that fit his bubbly upbeat personality. He has always loved his vehicles and had a passion for painting cars and made it his career.

He is survived by his four children, 2 grandchildren, 2 siblings, 5 step-siblings and friends. May he finally rest in peace and love. We love you Mike.

Family and friends will be getting together to remember him. Please call Casandra Loving (daughter) for details 801-633-8975.
