

Jessie Lee Zeller

September 3, 1981 - April 3, 2024

It is with heavy hearts that we announce the passing of Jessie Lee Zeller. She gained her wings unexpectedly on April 2, 2024, at the age of 42.

Jessie was a mother, daughter, sister, a loving aunt, and friend. She was born in Murray, Utah to

James Zeller and Judy Graham on September 3, 1981. She had a long relationship with Lynn Winter

whom she married, and they had two children together Kaydon and Ashton.

They resided in Apple

Valley Utah and Green River Wyoming. They later divorced. During her younger years she grew up in

Sandy and West Jordan. Jessie settled in Magna Utah and lived with her boyfriend Travis Pressley.

She enjoyed being in the mountains. She grew up camping in the Manti La Sal National Forest and it

has been a tradition to go there throughout her life. She was a spontaneous woman. She loved

hiking and camping. She also liked coloring with gel pens, doing her nails, doing crafts, watching

movies, and reading. She enjoyed cooking things such as her famous cheesecake and her

wonderful chili Verde which became our Christmas meal to this day.

Jessie loved celebrating Independence Day at her home with a big BBQ so we could all watch the parade together. Jessie was the life of the party. Always full of spice and made us laugh. We will miss her more than she could ever imagine.

She is survived by her sons, Kaydon, and Ashton Winter. Her Mother Judy Graham, Sister Becky (Jayson) Perkins, Brother Jimmy Zeller, and Sister Rhonie (Don) Smith.

Jessie is preceded in death by her Father James Zeller, her Daughter Alisa Ann Finch, Her Grandparents Herman and Roberta Zeller; Lester and Lois Graham. She is also preceded in death by Aunts, Uncles, cousins, friends, and family from her marriage to Lynne Winter.

Jessie got pregnant with her baby girl Alissa Ann Finch and Alissa gained her wings during pregnancy. After this incident she unfortunately lost herself to addiction up until her death. If you are suffering from addiction, please seek help. Those that love you need you in their life. Remember you are loved even when you feel alone. Please always be kind, give people your smile because that is what Jessie would want.

Services will be held at the LDS Church relief society room May 11, 2024, at 3:00 pm. The address is 1717 Berra BLVD, Tooele Utah. We will always hold you in our hearts. Until

“ There hasn't been a day your not in my heart and on my mind. I wished our hug the last time I saw you had lasted longer. I love you so much and will always be grateful for having a sister that was also my best friend. You helped me through many nights of emotions at times I needed someone. I hope I did the same for you. I love you.

“ I'll never forget the summer we lived in our swimming suits. Mom had to peel them off to wash them. We were running the neighborhood day and night in those suits. Abigail has carried on your cheesecake tradition and Don and I have continued to make chili verde every Christmas since you started the tradition. My heart is broken. You're so missed. Just knowing you're gone is still unbelievable. I hope your hugging daddy and holding Alisa with grandma and grandpa.
