“ *John you carried me on your back through a field of stickers. You bought me RC Cola to drink. You introduced me to a girl who became my girlfriend. We watched creature features till I fell asleep watching them. Many of your friends became my friends. Sorry I didn't get to see you recently cousin. Love Vern.*

“ *You'll always have a piece of my heart I lost you too soon. We'll meet again someday and I'll never lose you again. I'm thankful you're with Jesus now. No more suffering or loneliness. You have "the peace that surpasses all understanding."*

Love always, Valerie
