“ *Joe was my next door neighbor and best bud when I was a young kid living in Provo. He and my younger brother and I would get our heads shaved every summer and we'd call each other our buzz buds. I remember spending hours playing at the Provo river with joe. We'd shoot carp with bows and capture baby geese to play with. We even kept a few and raised them in a pen in Joe's back yard. Some of my best memories are of growing up there in Provo with Joe as my friend. My condolences to the Guile family.*
