

Karl David Bryner

May 4, 1956 - November 23, 2021

Karl David Bryner, age 65, husband of Linda Sachs Bryner, passed away Tuesday, November 23rd, 2021. Born on May 4th, 1956, in Idaho Falls, was the son of Barbara and Dean Bryner. He went to Olympus high school and served a LDS mission in Ohio.

In Karl's younger years, he worked at Utah Power and Light, but he spent most of his life as a safety professional and educator in the construction industry. He was an instructor for OSHA and hazardous material awareness. He worked in some form of construction the majority his life. You can see his projects all over the state, as well as in other states. He built a barn at This is the Place Monument. He worked on bridges, roads, pools, and created countless decorative concrete projects. He was an artist at heart. He created so many things with his strong, but gentle hands. He was a woodworker, sculptor, painter, and all around handyman. You name it, he had done it. He passed a lot of that knowledge onto his children.

Karl was a mountain man. He loved camping and exploring, but most of all he loved taking care of people. He showed that by always making sure everyone was fed. He loved cooking and could make the most amazing meals out of nothing. He did not pass this skill onto ALL his children.

Karl leaves behind to cherish his loving memory, his wife Linda Sachs Bryner and his four children: Brandon, Zack (Chantell), Chelsie, and Lexie. Karl lived

for his children and did absolutely anything for them, but he especially lived for his grandchildren: Brody, Jax, Brielle, and Sloan. He would never miss an opportunity to spend time with them. Karl is also survived by siblings: MaryAnne Bryner, Roger Bryner, and Dolly Orgill. Karl is preceded in death by his parents, Barbara Livingston and Dean L. Bryner, and siblings: Steven Bryner, Carol Bryner, Dixie Gibbs, and Susan Bryner.

Karl had the biggest warmest heart. He would drop anything and help anyone in need. He was a hero to his children and to many others. He helped a lot of people in his life. He will be dearly missed, but will live on in his children and grandchildren, and in all the lessons he taught them.

Goodbye dad! We love you to the moon and back!

“ I have so many good memories of Karl. From the time we first moved in the neighborhood in 1983 when he was so helpful in settling in, until just last fall when we went out to breakfast and laughed and reminisced, he's been a dear friend. We spent a lot of time together. He was funny, intelligent, witty, an artist in every way, charitable and had the love for his fellow men in his heart always. He helped me over the years in countless ways, always giving freely and with a smile. That doesn't mean he was a saint, for if you spent much time around him you knew he could get "passionate," let's say, on occasions—but never without a cause. He stood for what's honest, fair and decent. I'm a better person for knowing him. He enriched the lives of all those around him. We shall miss him. Our hearts go out to Linda and the kids. Please know he has risen to a higher place, happy and looking down at you all with love and caring. God bless you in your loss. Scott and Rachelle Snow

“Sundays I get my daughter Sloan. My Dad was always there to see Sloan which made it my favorite day. Swimming or eating breakfast at IHOP. We did have plans this summer. Now I will do them myself with your memory always on my mind. I love you dad.

“Dear Bryner family, we surely miss seeing you on 2900 East. Karl always stopped to talk when we passed each other on the street or lawns. He was a "gentle giant." Love from the Halls family.
