

Kevin Terrell Thompson

January 5, 1965 - May 6, 2022

Kevin Terrell Thompson, son, father, grandfather, auto enthusiast and professional truck driver passed away peacefully Friday, May 6th, 2022 after a series of long illnesses.

Kevin was always proud to have graduated from South High School and was just as proud when South High graduated to a Community College. His career as a professional truck driver spanned over 35+ years without any accidents. He had brief stints of "trying something else", inattentively because the "road kept calling". His dream was to drive with his son and he was especially happy when his son Anthony became a driver at Cowan where his career ended.

Kevin had a love of cars, trucks, motorcycles, trains and model building. He enjoyed the rows of vintage cars and trucks at local car shows and time to time he would enter his own vehicle in Sportsman categories. Talking cars, working on cars and teaching his son about cars and how to fix them was a joy for him. Some of his fondest memories were racing and dragging State Street in his younger years and chasing girls with various friends. He enjoyed his 47 year long friendship with Richard and his many longtime friends. He fondly remembers his motorcycle trips in his leather vest that brought out his inner badass.

The great loves of his life were his Nissan Mini Truck, Harley Davidson Wide Glide, 1983 Z28 Camaro and 2012 Ford F-350 Power Stroke.

He is preceded in death by his mother Lois Thompson and friend Tom Archuleta. Survived by his brother Jeff (Carmen), son Jamison, son Anthony

(Amber Lynne), daughter Raven (Fernando). Grandchildren Kendra, Damien, Triton, Rowan, Ryker, Diesel and Jaxon along with many aunts, uncles, cousins and friends.

A celebration of life will be held Friday May 13th at 6:30 p.m. Contact the family for details at ravenmmmontoya@gmail.com.

“ I loved you Kevin. I did want to go through that journey with you. Thank-you for the little time we did get to hangout. Thankyou for thinking enough of me to not let me go through the sorrow of losing you. Although, I did. You will always be a beautiful man to me. You had the sweetest, crooked smile, a funny sense of humor. and you made me fall in love with you. I totally understand where you came from. God rest your soul and Rest in Peace Kevin.

“ I know this is late but it is my first chance to post, Kevin was a huge part of my high school life, I was Richard Gerber's girlfriend and then wife. My name was Tena Copfer, then Gerber. I don't think I have ever met a person that was kinder or a better person at the time you needed him to be. He was a great friend to Richard and myself. I have so many memories and I am so very thankful for that! I will miss Kevin with all my heart! We still chatted on Facebook now and again but kept his illness from me but that was Kevin! They say only the good die young and in this case that is true! The heavens recieve an angel way before we wanted him to go! I love you Kevin and I will miss you! I will see you again sometime.
