

Lacey Nichole Kelly

December 23, 1977 - October 2, 2024

It is with deep sorrow that we share the passing of our beautiful Lacey Nichole Kelly. Whom tragically left us on Wednesday October 2, 2024, at the age of 46. Lacey was born on December 23, 1977 to Thomas (Tom) Kelly and Lisa Gallegos Kelly. Lacey was quick witted, feisty, fun loving and had knack for decorating. She also enjoyed music, singing, camping, and spending time with her family. Including her 3 younger brothers, numerous aunts, uncles, cousins and grandparents.

Lacey's role as a mother was marked by her generosity, love and kindness. All that knew her especially her family will feel the void left by her absence.

Lacey is survived by her children Alec, Chaz, Noah and Phoenix. Her brothers Zachary and Jacob as well as many aunts, uncles, cousins and friends. She will forever be cherished and greatly missed by all who had the privilege of knowing her.

Lacey was preceded in death by her loving parents, Tom and Lisa, her sister Whitney and brother Dominic. She was also preceded by her grandparents Frank Kelly, Lily Miera Kelly, Judy Salazar, Efren Gallegos, Her ex-husband Rick Sanchez and numerous cousins.

At such a difficult time, it is important to remember the good memories we all

have of Lacey. By holding on to those memories, we can focus on the good times we had together and help each other find comfort at this difficult time.

We will gather on October 18th to celebrate and honor Lacey Nichole Kelly's life at the F.O.E., located at 1104 W 2100 S from 12:00PM to 4:00PM.

“Lacee Kelly, the memories we shared will forever remain close to my heart. Growing up, we were surrounded by a loving family and grandparents who always wanted the best for us, guiding us in the right direction. Although we drifted apart after Grandma Lilly passed, you and I remained close—through sleepovers, weekend outings, and countless adventures. From playing with Ken and Barbie as kids to throwing our own “Barbie house” parties as adults, we created a lifetime of memories together.

Our Vegas trips, nights at the Norwood, and spontaneous fun were part of the vibrant life we loved. Then life happened, just as your mom, Lisa, always reminded us it would. Kids came along, and time moved quickly.

Now, you’re gone far too soon, taken before you could enjoy your the rest of your 40’s and 50s around the corner, and before you had the chance to become a grandmother. You leave behind four beautiful children—Chaz, Noah, Phoenix, and your firstborn, Alec—who will carry on your memory and spirit.

I find comfort in believing that you’re reunited with our family, making new memories that are beyond our imagination. I pray it’s everything you could have ever dreamed of.

Rest in peace, Lacee. You’ll always be loved and remembered.

Love your cousin,

Tiffani
