June 11, 1953 - September 12, 2020

Lawnie D Mayhew. Born 06-11-1953, left us on 09-12-2020 after a long battle with Respiratory disease. He is survived by his father, Lawnie C Mayhew, his brothers Kent (Barbara), Kelly, Mark, Jon, and Todd (Cindy). Former wife Delane and daughter Kassie (Chris). Former wife Debbie and children David (Jenny), Tara (Simeon), Nicole, and Lisa. Grandchildren Jaylen, Drayden, Taysia, Destiny, Riley, Jayden, Carson, Zayden, Savannah, Kristopher, Bowdie, Brayden, Desarae, Jaxon, Garrett, and Jordyn. He is preceded in death by his grandparents, mother Dee Viola (DeeVie) Jorgensen, Uncle Bob Jorgensen and daughter Jennifer Mayhew.

Lawnie was the type of person who worked hard and played hard. He spent the majority of his working career with Harper Contracting, and wore many hats for the company. He never stopped learning or growing with the business and held an abundance of certifications and accolades. In his free time, he loved to fish for Mackinaw at Flaming Gorge on his boat "Reel-Axation". He enjoyed Trap Shooting for which he also held many awards and trophies. An avid outdoors-man, he loved being in the mountains. Whether he was hunting, fishing, or camping, he seemed at home surrounded by the trees and fresh mountain air.

Lawnie was a very genuine and giving person, he always made sure you were taken care of if you needed help. It didn't matter to him the time or cost

invested, if you were struggling he was there for you. If you needed a place to live he would take you into his home and did just that many times over the years. He was a natural leader in both work and his personal life, everyone around him depended on him and his ability to take charge in any situation. One of his biggest accomplishments and most loved asset to Lawnie, was by far his family. He very much enjoyed being surrounded by those he loved.

Services will be held on Saturday, September 19th at 11:00 am at the Calvary Salt Lake Church 460 W. Century Dr. (4350 S). A viewing from 11 to 11:30 followed by a service to celebrate his life. “ I have too many memories to share, but I will say this, as a kid, I was completely enamored with how successful and assertive he was. I once asked him, "how did you get to where you are". He had a simple reply with "Be the smartest guy in the room, and you'll go far". With such a simple sentence came such a complex meaning. Throughout my life, that simple, but complex sentence has echoed in my mind. I live my life by that motto, and can say, not only is it a true statement, but one of sound advice. As I broke down his advice, I realized that, there are three things that can make you great. First and most importantly is the WANT, if you want something, you'll do what it takes to get there, second, is KNOWLEDGE, if you want to get there, you need to know what you're talking about, and attain that knowledge. And third is the ABILITY to apply what you've learned with the knowledge you've gained, and the want to do it. This gives you the ability to DO. I can tell you from experience, that he never stopped learning, he never stopped wanting more, and he never stopped applying his skills to his life and relationships. I have followed this recipe that he gave me so many years ago, and it has not steered me wrong yet. I am grateful that I was able to spend the majority of my young life with him, and have been forever changed for knowing him.
