“ *Lillian, we had a lot of good years and memories in our younger days. Shared a lot of fun, heartbreaks, tears, and yes, even got in a trouble now and then. Up until August 3,2022, you and I were the only 2 still living from our entire group of friends from Erie, PA. Now you up and left me so that I am the only one left. I will miss our conversations even though they were sometimes few and far between. So Godspeed to you old friend. Love, Sally*
