Our mother enjoyed crocheting, making people laugh, gardening which she had some beautiful tomato gardens and cooking, her macaroni salad was the best at Christmas time. She had a great sense of humor, always having something quirky to say, left you laughing so hard until your belly was sore and happy tears were running down your cheeks! She had such an admiration and appreciation for music which she passed onto her children. Playing the Beatles Abby Road on LP brings back good memories. Our Mother loved her Children, Grandchildren and great Grandson, with all her heart. She had illnesses that prevented her from spending time with them, however we know her love for each and every one of them. We will miss you always Mom, or Ninagoat as was her nickname that her Daddy gave her, we are grateful that you don't have to suffer anymore and get to be with Grandpa, Gang Gang, Patty and Jo.

Survived by Son Troy Robert Graf (Penny), Daughter Kristy Lin Rocheleau (Aime') Grandchildren, Randy Graf, Mason Rocheleau, Maya Rocheleau and Great Grandson Levi Graf. Nieces Toni Gull(Barry), Shauna Stevens.

Preceded in death by Parents, Sisters Joan Stevens, Patricia Roche and Nephew Ned Stevens.
