Lori Hanna Salt Lake City, UT 1961-2023

Our sweet sister, auntie, friend to all Lori Hanna peacefully passed away Saturday 21st of Oct. at 11:30 am. Heaven gained a beautiful, funny, loving soul.

Lori was the 4th of 8 children born to William and Arlene Hanna in SLC ut. Lori's life was dedicated to her younger sister and her niece and nephew. Lori loved her family and not a Christmas went by that she didn't make sure everyone had a gift from her. Lori gave countless hours of service to her friends and family sewing, cooking, and blessing everyone with endless humor. Kuea and Jr were the apple of her eyes. Not one opportunity was missed for Lori to brag about their greatness! She love to make posters, lays, and treats for all. Lori was a friend to all who crossed her path. She was always looking to bring happiness and laughter with her sense of humor was qorkiy and sometimes irrelevant but so contagious.
