

Louise Walker Goff

October 18, 1933 - January 1, 2022

Louise Walker Goff passed away from natural causes on January 1, 2022, surrounded by her family. Louise was born on October 18, 1933, in Evanston, Wyoming. During her life, she lived in Utah, Idaho, and Washington. She worked for New York Life for many years, and at the Salt Lake Tribune Credit Union, where she retired from approximately 26 years ago to move to Washington State. She resided there with her partner Sam Smith until his passing. Louise had a love for animals and was always concerned when she saw documentaries on animal cruelty. She would always tell her son Frank they needed to help them! Louise is survived by her sons Tray Goff (Connie), Frank Goff (John), grandkids Michael Maestas, Hadley Goff, Abigail Goff, and Lindsey Dietz (Cory). She was preceded in death by daughter Jani Maestas, and grandson Logan Goff. In lieu of flowers, a donation to an animal rescue in her memory is suggested.
