“ *Family.. first my heart just aches for you all right now, there are no words. I love all of you so much.
I will always remember him as Marty.. pretty much a second little brother to me growing up! Jamie.. one of my favorite memories, that still makes me laugh, is when we used to walk each other half way home (even though we lived one house apart).. I will never forget the night Marty ran out and scared the sh*t out of us!! We screamed, jumped & ran our separate ways!! And laughed about it many times after!
My heart breaks with this news & all of my love is with you all!! XO
Love, Crystol*
