“ *It is just now that I heard about the passing of Martin and although late, I still wanted to send my condolences. Martin was a very good friend to my mom that began with her employment at B Siegel and after. He and Sally were at our home many times and he remained a kind friend over the years. His calls over the years to chat and fill her in on Sally and his kids and grandchildren were always a happy welcome. He will remain one of the nicest men our family got to know.*
