

## Mary Helena Wohler Larsen

August 7, 1947 - August 17, 2019

Mary Helena (Wohler) Larsen, age 72 of South Jordan, Utah, passed away on Saturday, August 17, 2019. She was born to late John and Jacoba (Botbyl) Wohler on August 7, 1947 in Rotterdam, Netherlands.

Her parents immigrated the family to Murray, Utah during the summer of 1956, where she became a U.S. citizen and lived the majority of her life. They ran a successful picture framing business (Wohler's Art) where her parents and brothers worked until retirement in the late 2000s. She was married to Larry E. Larsen from September 1968 until 1995 with whom she had two children: Mellisa Ann and Larry Christopher.

Mary loved her family and dedicated much of her later years to her grandchildren. She loved to travel, dance, ski, read and socialize. She always had a smile on her face and an amazing upbeat attitude that made everyone that met her love spending time with her. Her 30+ years working at their art gallery helped her make so many amazing connections. She couldn't go anywhere without running into someone she knew and impacted in a positive way. Some of her favorite times were those traveling the world with her close friend Donna Johnson and their group of girlfriends.

She is survived by her two children and their spouses Mellisa and Randy Olsen, Larry and Sheryl Larsen; four grandchildren Marlee and Tyler (Mellisa

and Randy) and Cadwyn and Ryker (Larry and Sheryl); her older brother Leo Wohler and his wife Sheri; her ex-husband Larry Larsen; and a number of other loving relatives and close friends.

She was preceded in death by her parents and her younger brother, Johnny Wohler.

The family wants to thank the staff at Sagewood, her close friend Connie Weygandt and all those that cared for her during her last days.

“ Aunt Mary...I have very fond memories of being picked up from school in your green Volkswagen Bus and going to the family store. I also remember being a kid and spending Christmas Eve at your house. It was magical and my favorite part was driving up to your house and seeing the Christmas lights light up the snow. I wish I wouldn't have lost track of you and everyone when my mom remarried. I really loved, and still do, you and all of my family on my dad's side. I can't believe you and my dad are gone now. I wish I could have been able to show you I didn't stay that wild kid forever. I did grow up and away from the trouble I got into in my early life. I regret causing you any stress. I hope you and my dad are up there with grandma and grandpa laughing and maybe...just maybe, you ran into Bob Barker.  
I miss you guys. I wish I could have spent more time with you all.

*I Love You.*

“ our deepest sympathy to her family. I was Mary's best friend growing up in Murray, Utah. We walked to school everyday together and had a lot of fun in school. I loved Mary and know how much she will be missed by all her knew and loved her too. It has been several years since I saw her when we stopped by and Frank and I had no idea she had become sick. She will always be a big part of my growing up memories. Love, Marilyn Timmins Goff

“ Mary will be missed, she and her brothers were always so kind and friendly to us when we came in to the store over many years. May God bless and comfort all the Wohlers at this difficult time. She was a gem, for sure.

“ I have so many great memories of Mama Mary. She was "My other Mom" and I could not have been more blessed! When I think of her: Fluffing my pillows, being in Park City, driving past Wohlers Art, and even the original one off of State St., when I think about Deer Widows Weekend, and anytime I think about my teenage years. When she busted me, "the Good Mormon Girl", drinking her booze, or unclogging the toilet during the Sleepover 🤢...she made me lunches, got me to school, let me sleepover ALL the time! I am so grateful for having her as part of my story. RIP Mary...love you always!! 💕💕
