“ *Michael,*

*You were a light, a comfort, and a rock in my life. You loved life, and were so good to others. You always tried to be positive and fun to be around. Thank you for loving me sweetheart. I'll always cherish the moments we had together. You helped me to Love myself, and you were a peace maker. I love you all the way around the world, all the way up and down the Universe, and back around again, and all the way through from the beginning of time, to the end... and I'd do it again!! I'll Love you for a thousand years Always and Forever
