“ Mike,  
*I know we didn't always get along, I'm sorry for that. I wish I would have been a better friend to you. I wish I could have helped you more, but I could hardly help myself at the time. You were a good person with a good soul. You were absolutely loved by anyone who met you. I hope you truly are at peace. You didn't lead the easiest life and I'm sorry. I hope you're laughing and smiling up there. You deserve it. Rest in peace Mike* □
