

Nancy Diane Harris

August 21, 1956 - May 7, 2020

Nancy Harris was born August 21, 1956 to Alvin Leo Harris and Darlene Waters in Tulsa, Oklahoma. She passed away on May 7, 2020 in Midvale, Utah.

She is preceded in death by her mother (Darlene) and brother (Gary).

She is survived by her father (Alvin), sister (Charlene), brother (Robert), sister (Dorene), 2 daughters (Michelle, Rochelle), 2 grandsons (Emelio, Skyler), 2 granddaughters (Shantel, Dante), 2 great-grandsons (Damian, Jaidan) and 3 great-granddaughters (Kadence, Zhavia, Kinsley).

Nancy was a very special person in many ways to everyone she ever came in contact with. She was always there if you needed to talk. She was an amazing mom, sister, aunt, cousin, grandma, and great grandma. No matter what type of mood you were in she could always brighten your day with one of her sarcastic jokes. She was the type of woman that would put anyone before herself, she would take the shirt off her own back for someone in need. Her favorite color was blue, she loved butterfly's, and her favorite thing to do was to go camping with the family and to be in the wild because she loved many different kinds of animals. Anybody that knew Nancy would tell you she was always the life of the party. She will be dearly missed by all.

“ I don't even know how to start , My grandma was my best friend we always had the strongest connection. Not only did I have the joys of having such a friend ship but she also connected the same way with my son. Jaidan and my grandma where like 2 peas in a pod they always did everything together, and where always up to no good. The hardest thing is to know we have to live our daily lives without her here with us. She always made everyone laugh and have a good time even if they didn't want to. She was the strength for all of us and now it is our time to be strong for her. She wouldn't want us morning her loss instead she would want us maybe playing a song and taking a shot in her favor remembering the good old days. We love you FLY HIGH OUR BUTTERFLY !

“ To the friends and family to (Diane) That's how I will always remember her. We first met in 1980. She was definitely a firecracker quick witted with a smart remark and then turn around with a kind word. That's the Diane I will always remember we lost touch a few years back. I know that she'd loved her kids and grandkids more than anything. She will be missed by many and is in good hands now god speed Diane til we meet again.
Sincerely, Gary Heckenliable
