“ *The first time I met Nick, I immediately KNEW that he was my little brother. Nick, I'll never forget the night I fell asleep outside the Road Home and when I woke up the next morning, another friend of ours, "Ken," informed me how sweet Nick was and how he had covered me with a blanket so I wouldn't freeze out there. I was SO angry at the universe when I'd heard of your passing. I thank God for the opportunity to know you, and for the time we shared in this life, together.*

*Love and miss you, lil' bro.  
Much love and respect.*
