“ Dear Cindy and family,

We are so sorry for your loss. My wife and I, our kids, love Nick. This was so sudden, and tragic. Wish I was a better friend to him. Kept on telling myself, I need to meet up with Nick some time, but didn't make it happen. Thank you for the part you've been in our lives. Will miss my kind and loyal friend. Our talks will always be remembered. We pray for the family/ friends. Love, The Jacobs

“ Dear Cindy and Family,
On behalf of the staff of the Chapman branch library, our heartfelt sympathy is extended to you and your family on Nick's passing. We will miss his daily visits to the library where he always sat at computer "N" for "Nick," and we will always think of this as "Nick's computer." We can hardly believe he is no longer with us; just last Friday, he came in at his usual time. He was such a tremendous supporter of our library and we will miss his gentle demeanor and personality. We wish you peace during this difficult time.
Sincerely,
Mary Anne Heider, Mgr., Chapman Library
