“ *Paul was my little brother, we were very close growing up, he was a very good person, life gave him a very hard path and I hope he will rest in peace, a big part of my heart went with him*

I don't know if you'll ever see this, Paul is the father of my two sons Devhan and Kristofer. I was 14 when I met Paul and I thought he was the one. He didn't notice me for 7 years. We had 5 years and 2 sons together. I always hoped he'd find his happiness. I was saddened to get that call from the authorities. I hope he has found his peace.
