“ I just now discovered the loss of this very dear friend. It is July 2025. Had the time of run to death I was immobile and hospitalized. His family that I knew, sister Carol nephew Jim Johnson, probably had no clue how to contact me. I am now dealing with the loss of another close family member that also knew Ron very well. My best thing we had in common was roller skating. In the 1980s we killed it on a wooden floor at classic skating in Salt Lake City, Utah. I feel like I should ride a eulogy here. Carol. If you see this please call me 801-808-8134

I loved Ron Neely love very much and I am devastated to find that he is gone. He was a very good friend and I think of him often.
