“ *The finest man I ever knew beyond my father. Taught me everything I ever knew about sales, and how I have made my living, ever since. So many memories. So much respect. Thanks Sam, I'll never forget you ❤️*

“ *Sam hired me at Rubber and Safety Supply around 1987. We became friends on the first day that we met. I enjoyed his company and we had great times together. Him being of German heritage and me being stationed in Germany twice, we enjoyed a good bratwurst and a beer. He took me under his wing, not ever selling before, and treated me like a son. He will never be forgotten and will be in my prayers daily. My deepest sympathy to Pat and his children. Let perpetual light shine upon him.*

Sam was a terrific mentor and one hard working son of a gun. I have many great memories of him and I am saddened to know that he has passed. God bless you Sam.
