“ *Sharon has always been there for everyone she has a heart of gold. I'm going to miss sitting and visiting with her and the great advice she would give. She was one hell of a mother and a excellent grandmother. There are so many things I want to share but I feel it wouldn't be enough to express in words. I'm going to miss her sense of humor and her wisdom. We love you so much and are going to miss you. Until we see each other again one day.*

“ So many memories! Living next door to her and watching her come over and taking care of her garden. Visiting and just having a conversation catching up on our lives. I feel bad I haven't been around in awhile but she will be missed. She was like a mom to me. Rip in peace, watch over us all.

“ Aunt Sharon you were my second mom always checking in on me, even when you didn't have to. Our most recent video call I had with you, you told me that look like a cave man and needed a haircut. I'm going to miss going over to your house and having mini taco and spaghetti. You forgot to take me to the dunes with you 😊 I love you and take care of mom for us
