

Sindy Ann Mullins

October 21, 1972 - October 13, 2021

Our loving mother, grandmother, sister, aunt, and friend Sindy Ann Mullins (SAM), passed away October 13th 2021. She was born October 21st 1972 to Kandace Davies and Clinton Mullins.

Sindy was a free spirit and always full of life. Her compassionate and outgoing personality often lead her to talk to and befriend complete strangers. She loved art, music, dancing and staying hip with the times. She always had a knack for turning a bad time into an adventure. She was funny, strong, courageous, caring, and down to earth. She will forever be remembered for her spontaneity and her many incredible talents some of which included hula hooping, sewing, drawing and fixing cars. One of her proudest accomplishments was graduating from Heald College with a degree in computer technology. Her children and grandchildren were the light of her life.

Even though our hearts are broken, we are comforted and strengthened by our Heavenly Father with the knowledge that she is now with her mother Kandace Davies. She leaves behind many who dearly loved her. She is survived by her sisters: Kathy Randall, Jessica Sharp. Children: Tabetha Mullins, Tyler Ashley Mercier, Treston Thomas, Nebraska Finch, Maryland Finch, and Alaska Finch. Grandchildren: Kayden Mullins, Caleb Degroot, Kelby Arnold, Nicholas Thomas and New York Crowell and multiple nieces and nephews.
