“ *I am very sorry to read of the untimely passing of your loved one, Steven. He will be missed indeed. May the love and memories you have for him continue to sustain your family as life goes on. May "the God of all comfort," (2Cor. 1:3,4) be with your family as well. Please take care.*

“ *There's nothing I could say that he hasn't already heard or how I feel in my heart that he doesn't already know. I understood the man he was and cherished the man he always strived to be. I don't think it is coincidence that the day I found my true strength, the day I chose sobriety above all else, was on the day he was brought into this world, July 14th. Steven Lester Lund, you are loved and I will miss you dearly. I hope we see each other again.*
