“ I will never forget Momma Sue. She was full of energy and a ray of sunshine. Our most memorable night was us ladies out on the town in Asheville and my brief visit with her to have breakfast on my way to California. She will be dearly missed.

“ Sue was my soul sister. What a great loving, kind, weird sense of humor, crazy girl she was! We enjoyed our trips to Springdale, UT, our shopping at Chicos, going to the Casino and having coffee with laughter. Will miss the smile, the fun, the laughter that we shared! I knew Sue for 14 years and will cherish the memories forever. RIP Girl  
Love always, Sharon and Dick Szarzi

“ I met Sue in 2003 when she first became a Realtor. She had an amazing sense of humor and was so vibrant and outgoing. We hit it off immediately and became great friends. She loved to shop. We had some great shopping trips to St. George. Sue enjoyed meeting people and as a result of that she became a friend of many of her real estate clients. She will be missed by so many people. She is in a comfortable place now and can truly Rest In Peace. I love you Sue and will see you again someday. Judi DePew

Sue, when ever we got together, we did some laughing, as we all know her smile was a gift to all of us. And her laugh was Sue. She was and amazing Woman, when we were younger, I took her and Penny out on the boat a few times. It was Sunshine and laughter. I could talk to her about anything, and even though we didn't see each much as the years went by, when we reunited it was as if we hadn't been apart. I will miss her, but I know I will see her in the beauty God as giving us. Brook, I am so sorry, please know That my heart goes out to you and all that loved her, I wish that you will feel her love in all of God's Beauty until you meet again . God Bless you and Ron and family at this time. And may Peace find you,in knowing she is with you aways.
