

Teri Marie Lowetz Caron Young

July 6, 1967 - June 15, 2018

Teri Marie Lowetz Caron Young passed away unexpectedly at age 50 in the early morning hours of June 15, 2018.

Teri was an educator in Early Childhood Education for 25 years teaching kindergarten, preschool and first grade. She was a voracious reader, she felt that for every book you read you became that much more intelligent. She was extremely gifted with a creative and inventive mind. Teri saw beauty in the world and in those she encountered throughout her life, she was a very loving and open person, she would make friends with everyone, she would approach people in a store and they would become best friends before they parted. She would dream in cartoons and could always make her husband, Dennis, laugh. Teri absolutely loved all animals, they held a special place in her heart. She will be sorely missed, the world has lost one of its brighter lights.

She is survived by her husband, Dennis; her parents, Raymond and Polly Lowetz; brother, Jerry Lowetz; son, Stephen (Leah) Caron; Granddaughter, Eva Caron; Grandson, Charlie Caron; along with numerous aunts, uncles, cousins and friends.

In lieu of flowers please make donations to an Education Fund.

“ *My sympathy to all of you; may you carry the joy and light of her life in your hearts forever! I hired Teri as our kindergarten teacher at St. Joseph School many years ago. Her love for Jesus, for children, for technology, for creativity made each day a very special day for our little ones. She was a very special woman and was dearly loved. I send my love and prayers to all of you.*

Our condolences to the family of "Miss Carron" as she was so affectionately known at St. Joseph School in Lake Orion. So was so loved by the children and parents. She developed such a special connection with the kids, you could tell that was what she was good at. She seemed to be doing what she loved and we were sad to see her move away. She will always be remembered for her gentle spirit and loving ways. She made each child feel special and loved. What I will remember always, is how she had each of her students create their own heart garden. The kids has to draw a picture of it and remember to pray often to feed it as well as to remember to weed it. As a Mom, it gave me a chance to talk with my son about what what was in his heart and to pray with him every night to help nourish it. Such beautiful memories, all because of a beautiful soul named Miss Carron ❤️ Prayers for her family, may she rest in the arms of our Lord.

“ Teri and I reconnected through Facebook after my Dad died. I felt like I not only lost my Dad, but my family. She was so kind, caring and thoughtful. It was nice to connect with family. Dennis, there was rarely a conversation I had with her that didn't include her telling me how wonderful you were to her. She knew your love and talked about it often. She was so happy to have someone that treats her so well and shows his love so openly. I am so very sorry for the loss of your love and your best friend.

“ Teri was always a kind person to me. I remember going to Frankenmuth with her and a bunch of friends and family. We had a lot of fun. We also went to Palazzo De Bocce and played bocce ball on a girls day out. We had her over to dinner and that was very nice. Finally, I remember she invited Leah and I to a women's brunch at St Joseph church to hear an inspirational Christian speaker. She will always have a special place in my heart. May she rest in peace until we meet again. Condolences to her friends and family. Lori Schaffer
