

## Thomas Robert Bradley

July 1, 1985 - June 18, 2024

Thomas Robert Bradley, 38 of West Valley City, UT would like you all to know his work here was done on June 18, 2024 and he went on a trip. The sort of trip you can't refuse and one which he will not be returning from. The best part of this trip will be the reunion he has with his family and friends that he has not seen in a long time. Affectionately known as "Tommy" when he was a child, he shortened it to just "Tom" as he grew older.

Tom was born July 1, 1985 in Colorado Springs, CO. He was the third child and only son to parents David and Eileen Bradley. Joining his older sisters, Nikki and Kelly, his arrival completed their family. Tom and his sisters grew up as "army brats". Their early childhood consisted of new states, new schools and new countries with all the moving that they did. A trend that Tom never outgrew even as an adult. He lived in many places including Idaho, New Jersey, Germany, Minnesota, Delaware (where he met his wife, Karen, they were later divorced) and finally Utah. As the saying goes, a rolling stone gathers no moss. The one thing he did gather from all his travels were friends. Tom was a very loyal friend and would give you the shirt off his back if you needed it.

Tom is survived by his sisters, Nikki (Darren) Ritchie of Rigby, ID. Kelly Bradley of New Jersey. Nephews Kaden Ritchie of Rigby, ID. Skyler and K.P. Boyle of New Jersey. Nieces Cierra (Matt) Ritchie of Idaho Falls, ID. Saphyre

Boyle of New Jersey. And all the friends he considered family.

Tom was preceded in death by both sets of grandparents, his parents David and Eileen Bradley and his niece Sage Ritchie.

A celebration of life will be held on July 1, 2024 at 10259 S. Carr Fork Dr. Bingham Canyon, Utah 84006 at 1pm.

I met Tom at work, as a fellow employee he was always full of life, smiling and bursting with energy always trying to have a good time and make the workplace fun for all, he was very thoughtful and friendly, my children loved Tom, he was great with them and he was their favorite, he was the only person who could get me to do the hokey pokey and get us all to dance together, Tom is greatly missed by those of us that work there, our children and even countless customers he made smile everyday.*

“ *I knew Tom from work, he was my best work buddy and became friends. I always was excited to go to work and hang out with him, he always had a smile on his face and we would dance and be silly. In the short time I knew him, which felt like I knew him longer, we just connected and had a great time. He really connected with everyone. Im so devastated and wish we could have more friend time. Tom you touched so many hearts and had an impact on so many lives, you my friend are dearly missed. Until we meet again my friend, I will be dancing for you and keep your memory alive. Rest in peace, love you friend.*

“ I knew Thomas from a game we played together. It was called Battle Pirates and he always tried to help me build my base and fleets better. He always always looking for new ways to help me even in every day life. When he moved to Utah we shared some good times and when he moved away it drove me nuts. He then moved back and things were better. But still always giving everything. Tom would share the shirt off his back with anybody that needed it. He had a heart of gold. Tom moved back to Minnesota and the moved back to Utah. We moved in together and I had the opportunity to get to know him so well. We had our ups and downs just like most adults with different opinions. Tom And I became very close. We shared the love of a dog Sunnie. He was so close to her. I fell in love with Tom and that love will never die. I miss you Tom  
And I will forever. Thank you for the best memories ever.

“ I met Thomas when he first moved to Utah a few years back. He always was always laughing and making others laugh and smile. He totally loved a good Rice Krispy Treat and cooked a mean Alfredo. He always remained poised in the face of criticism, and remained a true friend to those he loved.. giving flowers to them just to show his gratitude and affection. It is truly unfortunate the abrupt departure he has taken, he will be missed dearly and remembered fondly. I hope his next adventure is rewarding and kind, and I hope we can always remember the light he has illuminated our hearts with. Rest in eternal happiness, Thomas, thank you for choosing us.

“ I had the privilege of being Tom's boss for nearly 4 years. He was more like a brother than an employee to me. He would always make me laugh and light up my day no matter what kind of day I was having. It was a true pleasure to know him and to be able to spend countless hours working with him each week. My fondest memories of him are all of the laughs and the inside jokes. We both loved music and we would even do the hokey pokey. He brought so much joy to the workplace and always lived life to the fullest. I will miss him dearly.
